Product Description

Bad Boy Maverick HD 60" Vanguard EFI BMH6028EVG

We turned power up a notch on the Maverick HD. The Hydro-Gear ZT-3400 Integrated High-Efficiency Drive System has commercial-rated hydraulics with a heavier 1.25" shaft. That means it's built stronger to last longer.

Choose from a wide range of deck options that fit your needs. You can go big with a 60" deck or fit through any gate with the 42" model.

Our premium suspension seat and run-flat front tires come standard, so you mow long hours in maximum comfort and never have to worry about going flat.
