Product Description

Bad Boy Revolt X 72" Stand-On Vanguard EFI

The Revolt X's shorter frame and curved I-Beam front fork give you a lower center of gravity for maximum maneuverability and visibility. With its upgraded operator pad and fender-mounted support steps no other stand-on mower can compete with this unbelievably smooth ride.

The one-touch hand operated height of cut control makes on-the-fly adjustments easy. You can quickly switch between the position speeds for smoother operation in the tightest of spaces, and stop on a dime thanks to the upgraded R-Series style brake.

The 23" Reaper® tread pattern 7 rear tire provides better hillside traction and stability. Optional Dually Reaper® Turf Tire setup or Michelin® X® Tweel® Turf Tires give you the edge you need to get the job done no matter the terrain.
